

TIMBERLINE MIDDLE PTSA CHARTER MEMBERSHIP APPLICATION

Parents of the Timberline Middle School community are establishing a non-profit organization to support the students, their families, and the teachers and staff of our school. Your charter membership enables us to form the new PTSA by providing the needed funding and minimum membership requirements for affiliation with the Washington State PTA and National PTA. Once established, Timberline Middle PTSA will give a stronger voice and provides support of our school, activities, and enrichment programs. To become a member simply complete and return this form. Questions will be answered on site at the charter membership meeting May 7, 6:30pm, at Ella Baker Elementary School Commons.

Charter Membership is valid through October 31,2018.
