

Volunteers Needed!

PTSA Needs You!

Step 1:

Check off which volunteer roles interest you - whether you're looking to get very involved or for just an hour or two, we have an opportunity for every schedule! A PTSA representative will contact you.

Step 2:

Become an approved volunteer with Lake Washington School District. All volunteers - whether a Board member or helping for an hour with a class party - MUST be verified and approved with LWSD.
