8. VP of Community Events Report

- Get excited for the “Sweet Beats & Treats” School Dance tomorrow night!
 - Amazing concessions, grade-wide dances, and a GOAT trophy for the grade with the best attendance percentage!
- Please join the 2026 Fall Carnival committee – contact NicoleW@wilderpts.net and BrookeM@wilderpts.net for more information. We’ll likely meet for one brainstorm session over the summer and plan the rest via WhatsApp.

9. VP of Volunteers Report

- Volunteer breakfast June 15 at 7:45am.
- The award committee met and selected this year's winners.
- Still looking for school dance volunteers and wolf day volunteers

10. VP of Enrichment – During School

- Art Docent program is getting a new classroom space in the interior of the building!
- Art Night
 - Art Night was a tremendous success and a wonderful celebration of creativity and community! Students enjoyed a scavenger hunt with prizes, art projects led by some of their favorite teachers and members of the 5th Grade Art Club, and hands-on activities in the gym. One of the highlights of the evening was seeing students proudly share their favorite artwork with family and friends.

- A huge thank you goes out to the incredible volunteers who assembled class baskets, donated items, helped create auction art projects, and gave so generously during our silent auction. Final numbers are still being tallied, but it looks like we raised approximately \$7,000 to support arts programming and enrichment opportunities for our students.
- Once again, we also brought the Traveling Art Museum (in partnership with the Seattle Junior League) to our foyer and students have enjoyed learning about the art and artists and creating their own artwork that ties to these pieces.
- I would also like to take a quick moment to recognize our amazing Art Docents. Throughout the year, these dedicated volunteers quietly bring meaningful art experiences into every classroom. They truly are the unsung heroes of our arts program, and we are incredibly grateful for their time, talent, and commitment to our students.
- School Beautification
 - We are excited to share several school beautification projects that will take place this summer. All playground and blacktop lines will be repainted, including both play areas as well as important safety features such as curbs, crosswalks, and fire lanes.
 - In addition, a team of volunteers is designing artwork enhancements for our crosswalks to make them more vibrant and welcoming while maintaining their safety function.
 - We are also working to replace a bench in the back of the school with a new Buddy Bench and will be refreshing our Memory Garden to ensure these special spaces continue to serve and support our school community.
 - Thank you to everyone who continues to help make our school a beautiful, creative, and welcoming place for all students.

11. VP of Enrichment – Before & After School
